

The Right Support When and Where You Need It

Everyone needs a little support now and then. But concerns over cost, access, and confidentiality can stand in the way of people getting the help they need.

Through our partnership with MDLIVE, you can meet with a psychiatrist or therapist 24/7 via phone, tablet, or computer — wherever and whenever you need to.

Whether you're traveling for work, on vacation, need a weekend appointment, or just struggle to fit therapy into your busy schedule, behavioral health telemedicine makes it easy to connect with the care you may need:

- 1** Convenient, confidential therapy sessions from your home, office, or on the go
- 2** Wait times are 3–4x shorter than traditional in-person appointments
- 3** Therapists are available on your schedule, including nights and weekends
- 4** Option to schedule recurring appointments with one therapist

For the Big Stuff, Little Stuff, and Everything in Between

Our highly trained psychiatrists, psychologists, and social workers can help you through a wide range of conditions, including:

- Addiction
- Eating Disorders
- Panic Disorders
- Bipolar Disorders
- Grief and Loss
- Stress
- Depression
- LGBTQ Support
- Trauma and PTSD

Not sure therapy is right for you? Take the first step with one of our free, no-obligation online assessments at [MDLIVE.com/BH-Assessments](https://www.mdlive.com/BH-Assessments).
