

New Group Enrollment Checklist – Small Group

All forms listed should be completed in their entirety and signed by the authorized group contact or decision maker. Any missing or incomplete information may delay your group's implementation, as we will need to contact you.

___ **New Group Application** – Version UN-2095 Rev. 09/2018 – Previous versions will not be accepted.

___ **Proof of Payroll** – NYS-45 – Most recent available quarter filed.

- Each employee appearing on the NYS-45 must be noted to indicate eligible, not eligible or termed.
- Notations should be based on the employer's eligible class(es) (Section 5 of New Group Application).
- Employees working fewer than 20 hours per week are ineligible.
- If an eligible employee's or owner's wages reported on the NYS-45 do not support the required hours based on employer's eligibility guidelines, current paystub or payroll journal must be included.
- Current paystub or payroll journal for any new eligible employee not appearing on the NYS-45 is required.
- If no NYS-45 is available, a payroll register may be accepted.
- If no payroll register is available, W-4 forms may be accepted if completed in full (1-10).

___ **Most Recent Tax Documentation**

- **If a group is enrolling at least four employees and any enrolling owner appears on the NYS-45, company tax documentation is not required.**
- **If a group is enrolling fewer than four employees and/or an enrolling owner does not appear on NYS-45, the most current company tax documentation will be required.**
